Storage

Store in a dark place without large variations in temperature, preferably between 12° and 14°C.

Longevity

Up to 20 years after the harvest date.

Serving Recommendation

Serve between 17° and 19°C

Tasting Notes

With its violet tones, this wine presents aromas of ripe black fruit wrapped in light hints of spices, which gives it an excellent complexity. It is a full-bodied, voluminous, long wine, with fine, smooth tannins. A wine with great ageing potential.
